Little Things Mean a Lot . . .

*The little things in
school stay in your
mind after graduation:*

the Franklin Christmas Program and the big chance as
Master of Ceremonies . . . International Day with the
exchange students here for a visit . . . singing in the
Adelphian Valentines' Day Program . . . or the movies
and speakers which got you out of class . . .

Excelling in School Activities . . .

Excelling is a personal thing, whether in a group, or individually:

like stepping into the winners circle by breaking records . . . or being chosen queen with two attendants to back you up . . . setting the pace in the Voice of Democracy or Americanism contests . . . or winning the basketball championship . . . each win is your personal achievement . . .

Winning In County Events . . .

Winning, or being first, is an achievement very few people accomplish. Only the winner himself knows the hard work and practice that accompanied the final results.

Such as the preparation for the Speech Contest . . . the experimenting with the science fair projects . . . the drilling for parades . . . the writing and rewriting for the Creative Arts Contest . . . or the daily rehearsals for the Solo and Ensemble Contest . . .

Becoming the Best in the District . . .

Becoming the best in the district means using that little extra effort.

Like the extra height that made you the best pole vaulter . . . the extra rehearsal for first at the Solo and Ensemble Contest . . . or the extra practice to be voted Player of the Year . . .

Or Just Being in a Club.

*Being in a club means
giving your services when
they are needed.*

Like being a hall monitor for the Student Council ...
working half a day for the COE ... or spending hours
on your page for the Gazette Staff.

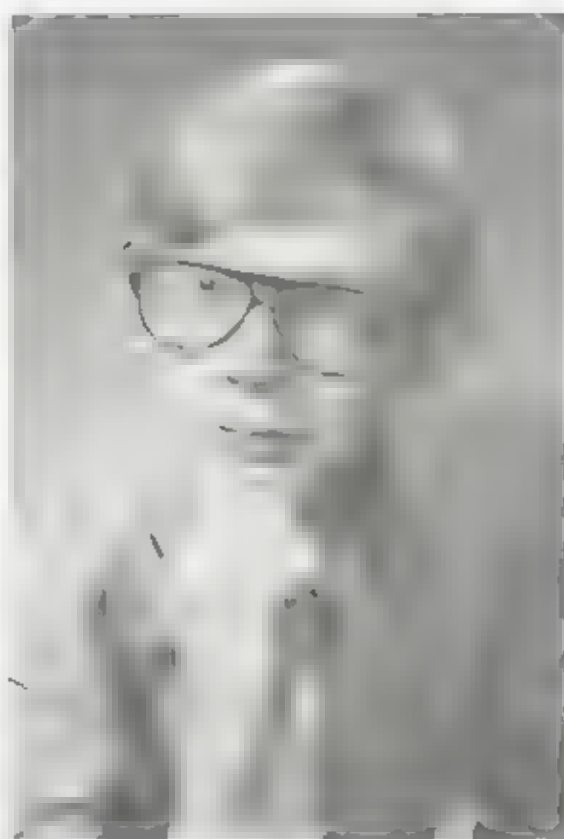

A Salute to Mats

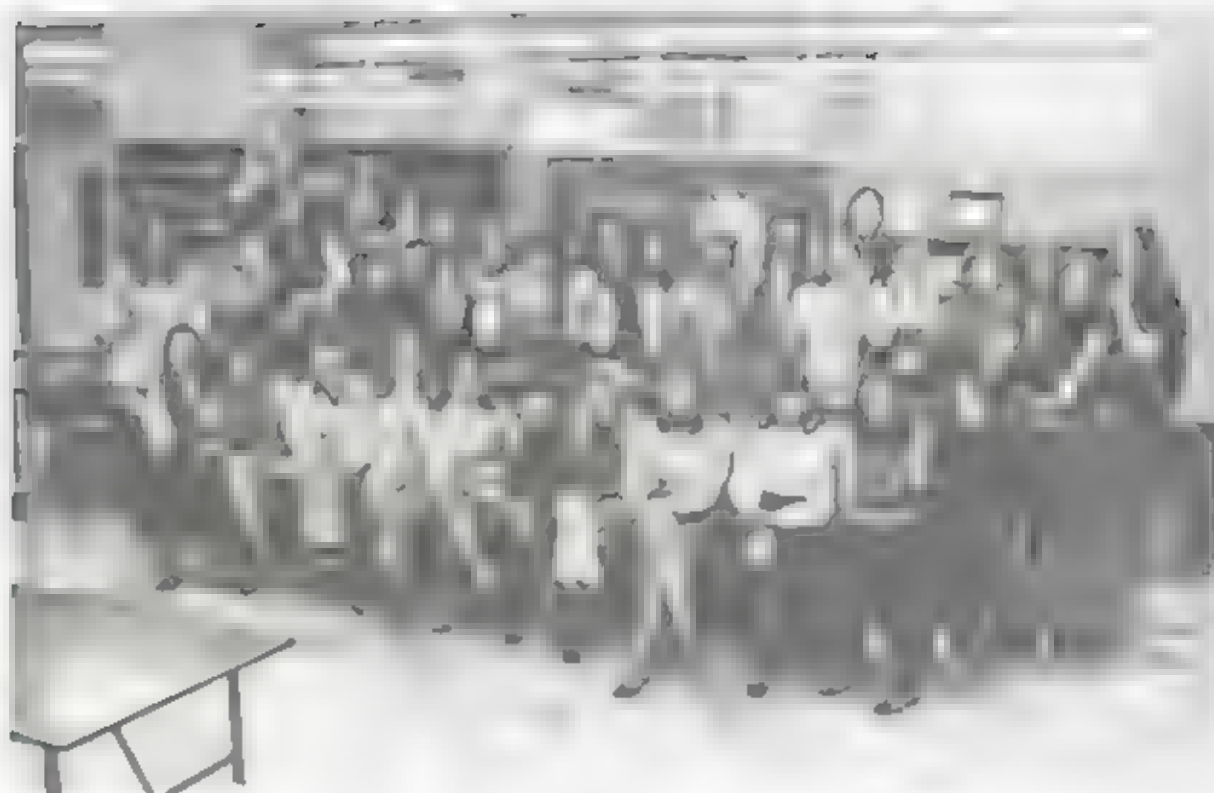

A salute to Mats Haggmark,

our 1971-72 exchange student from Sweden. Mats joined the exchange movement for travel and the opportunity to meet new people. Those who acted "in loco parentis" for Mats were the Clare Blauchs, the Jack Widders, and the Cleone Widders.

Mats says he prefers the city - but he appreciates the privileges he has enjoyed in the homes here.

ADMINISTRATION AND FACULTY

STANDING - [Name], [Name], [Name], [Name] SEATED - [Name], [Name], and Charles Mullet.

Board of Education

The editors of this section wish to thank the faculty for their co-operation in the taking of pictures. They also wish to apologize to all people who were not recognized because of lack of space or lack of pictures.

Man developed writing for the purpose of preserving a record of his achievements, thoughts, and feelings which could be shared with mankind of all generations. THE SWORD exists for a similar purpose. Its completeness corresponds to what we have contributed; its value to how we use it. Thank you for being a student in the Garaway schools during the 1971-1972 school year. While the proverbial tomorrow never comes, the future of last September is now our past - as the following pages attest.

DONALD G. BROWN
Superintendent

Pride of the Pirates - The Class of 1972

I believe that the secondary school cannot be all things to all students. We believe you have found Garaway a place where you are treated as people and not as numbers, and so we pray that you will always desire to treat others as worthwhile human beings. Even though you may now end at least one integral part of your education I feel confident that the future will prove that our time at Garaway was a wise investment.

CHARLES R. SCHROEDER
Principal

Many educational opportunities are available to all Garaway students. A major objective of our school systems is to offer students a well-rounded general education and to teach them to accept responsibilities which will help prepare themselves to attain success in their future endeavors.

“Thank You”

I would like to thank those persons I could not have done without. They haven't been recognized in any other part of this book, so I will do so now.

First of all, to Mr. Klink our advisor, thanks for making it possible to have this 1972 Sword. Even though there were times when you thought we weren't going to make the deadlines or when the people wouldn't come to the meetings, the headaches did pay off. And to Mr. Bliss for handling the financial end of the yearbook, a big "thank you."

I'd like to thank the staff for the contributions each one gave. Sure we had those who wouldn't go to the meetings ... or those who waited until the last minute before starting their sections ... but we also had those who worked steadily until their sections were completed.

The staff editors consisted of: Jane Hackett - Activities, Patt Winkler and Kathy Ray - Elementary, Karen Osborne - Jr. High, Mark Boyer and George Hackett - Faculty and Administration, Jim Harrison - Sports, Marla Klein and Kathy Zahner - Division Pages, Jim Stein - Clubs, Denise Hahn - Candida, Jennifer Miller and Melanie Fankhauser - Classes, Jennie Miller and Lana Zinkon - Booster Pages, and Paula Gorsky - Ads.

Thanks to those who helped with typing, getting ads and subscriptions, and doing many other small chores. Without these, financially we wouldn't have had a yearbook.

Our business manager, Bob Croft, also deserves a big "thank you." His records show how important and sometimes impossible his job was.

Lastly, I would like to apologize for the people or organizations whose pictures were omitted. We know how important it is for them to be recognized and we are sorry they were not put in.

Thanks again to everyone connected with this 1972 Sword.

Co-Editor-in-Chief,

Becky Shaw
